

NORTHWEST  
TRANSFUSION  
SYMPOSIUM

# SAVE THE DATE

Bloodworks is proud to announce the 5<sup>th</sup> Annual Northwest Transfusion Symposium. Please join us for a day of learning centered around transfusion medicine topics, continuing education, and networking opportunities relevant to physicians, nurses, laboratorians, and blood bankers.

**THURSDAY, SEPTEMBER 19, 2019 | 8:00 AM - 5:00 PM**  
**OREGON CONVENTION CENTER | PORTLAND OREGON**

**REGISTER: [2019NWTRANSFUSIONSYMPOSIUM.BROWNPAPERTICKETS.COM](http://2019NWTRANSFUSIONSYMPOSIUM.BROWNPAPERTICKETS.COM)**

At the end of this activity, participants will be able to:

- Identify best Transfusion Medicine Practice, with special attention on pediatric transfusion
- Describe developments in platelet transfusion, including FDA Guidance and new platelet products
- Describe optimal use of Group O red blood cells

---

Hear what our attendees say about the conference year after year:

*"I loved the symposium. I learned a lot and I had a lot of opportunity to interact with the presenters. This is a truly valuable program. Please, please keep this up for next year."*

*"Very thoughtful presentations were given and the topics were interesting and relevant."*

*"Excellent program, atmosphere, location, food and people!"*
